

Are you still using Craigslist or Friends to find Carpool?

Try a fresh approach to Carpooling!!

<http://www.DivvyMyRide.com>

➤ **One Stop Carpool Site.**

- ✓ We help you to get on touch with other carpoolers right on the web site.
- ✓ No more copy pasting email addresses, use personal message board to keep track your messages.

➤ **Posting Rides**

- ✓ Choose "one way" or a round trip or even mark "repeated".
- ✓ Have time at your disposal? Use the "Date is flexible" option.
- ✓ Look at the title to identify if you are offering a ride ("Have a Ride") or looking for a ride ("Need a Ride"). No more confusion!

➤ **Finding Rides**

- ✓ Choose your avatar and post your preference (car, music etc.). On the "+" side, now also see if you would like to share a ride with someone with such preferences.
- ✓ Save favorite riders, rate them based on your experience. Even set alerts when they post.
- ✓ Use radius search to search within 10miles, 20miles or 30 miles of a city.
- ✓ We have placed a map for each post so you can see your route. We even give you a suggested price for the route based on current gas prices.

Finally the Bottom Line

- ❖ YES, as a promotion, we are free to use right NOW! No commissions, No cuts/percentage of your money.

Just use the site and save money...

Divvy My Ride Team. Santa Clara, California.
